The technical department of Customer Service Center will ensure that the results you expect regarding the order and the delivery are clearly specified, but cannot guarantee a 100% fulfillment.

We guarantee orders from all departments being processed without generating any type of complaint. These responsibilities include manufacturing, customer service and delivery.

The validity of the order is subject to the payment of the order within a few days of receipt, otherwise the guarantee for the order of the product is limited to the order of the same manufacturer's products.
